

UNCLE SAM PAID \$15,000,000

**and Hired 75,000 Enumerators
to Gather, Compile and Tabulate
The 1910 Federal Census**

Every citizen of Nebraska and every reader of THE ALLIANCE HERALD is interested in the growth and development of the towns, cities and villages of this state. We have left a few of those beautiful and useful

Pictorial Charts

Containing Maps of Nebraska, the United States, and the World, together with the
1910 CENSUS OF NEBRASKA

which will be given away *FREE TO SUBSCRIBERS* while they last

This Chart is easily worth \$1.00 to \$1.50 to any Nebraska subscriber. It is a work of art and will be of use and adornment in every home and office. This set of maps is large, 22x29 inches; and has metal binding for hanging on the wall. It contains a mine of information and should be seen to be appreciated.

SPECIAL OFFER

To every subscriber, either new or renewal, paying two years in advance on subscription, we will give one of these Charts absolutely free. The number is limited; get one free before they are all gone.

 **Our Supply is Limited. Get your order in now**

Simply pay \$3.00 on subscription, for yourself or for yourself and some one else, and you will be made a present of one of these Charts.

Knowledge is Power

One of these Charts will be of immense educational value to every business or professional man, every workman, every farmer, and every family circle.

**THE
ALLIANCE HERALD**

\$1.50 Per Year in Advance

Published every Thursday by The Herald Publishing Co.

Alliance, Box Butte County, Nebraska
